His mum and dad did not like his eating habits. Ken became fatter and fatter. He walked very hard and he couldn't run or jump. He couldn't dress by himself either! Many people laughed at him. They said, 'What a fat boy!' He was very sad. He wanted to be thinner.

### **A terrible shopping experience**

On 18<sup>th</sup> December, Yan and her parents went shopping at Metro City Shopping Mall. They went shopping in different shops there. At last, they went to a toy shop. The shop was special because it has opened for fifty years. When Yan's mum was a child, she also bought toys there.

They decided to buy a gift for their friend. They felt excited when they walked around the shop. Yan asked, 'Excuse me. May I have a look at the teddy bear?' However, the salesperson was playing NPC. After taking the teddy bear to Yan, the game was over. He pointed at Yan and shouted 'You... You... make me...me... Oh! It's game over!' Then her parents said, 'Hey! What are you doing now?' They felt very angry.

Finally, they left the shop angrily. They went to others shops to buy gifts. They made a complain to the Consumer Council.

A Crime

Cool

10<sup>th</sup> March, 2017

Last night we went to Uncle Nicky's home for dinner. we stayed there for quite a long time and only returned home at one in the morning.

We were very tired and were about to go to bed. Suddenly we heard some strange noises outside. I peeked out of the window to find out what happened. I was surprised to see a black van park in front of a clothes store across the street and a person in a black cap with a mask standing suspiciously outside the door.

The person opened the locked door and crept in. after a short while, she rushed out again, pushing along a large rack of clothes. I finally realized that it was a burglary.

Seeing the van escaping, I hurriedly jotted down the plate number of the van and told my parents about the burglary. Then, they called the police. I hope they can catch the burglars soon.

Superboy

There were two best friends. They were Max and Ken. Max is tall and thin. Ken is short and thin.

When they were walking on a road, they heard a strange sound coming from a park nearby. So, they followed the sound and went to the park.

When they were in the park, they saw a man and a woman. There were only two of them before Max and Ken were there. The man was holding a knife and pointing it at the woman. The woman was scared.

Suddenly, Ken changed into Superboy and he was strong. The man and the woman were surprised. But Max wasn't because he knew it was Ken.

Then Superboy used his power to catch the man and the woman was happy because Superboy saved her.

In the end, everyone went home and kept on enjoying the day.

### All About Me

Hello, buddies! I am Eric Sin. Most people call me 'CYA'. You can call me 'CYA', too. I study in Choi Wan St. Joseph's primary school. I am in class 6A. I am 11 years old now.

Let me tell you how I look. I am quite short and have long and black hair. I have two big eyes and a bit straight sharp nose. I also have two big ears and a big mouth.

My mum is a housewife and she is finding her 'dream job ' now. My dad is a renovation worker. We love each other.

I like playing football. I usually go to Shun Lee Estate to practice football on Saturdays. Of course! My dream job is being a football player. Although my mum always says that it is impossible.

I want to make more new friends! I will tell a lot of jokes for you when you become my friend! I am waiting for your comments for my blog! Bye!

Dear Gigi,

I'm fine, thank you. Thanks for your e-mail.

My dad is a security guard. He has an oval face. He now has grey hair but he is only thirty-nine years old! Mum told me that dad was thin and strong. He had a lot of black hair and smooth skin. She said dad was a handsome young man. Unbelievable!

My dad works in a car park. He manages the number of cars that can go in and out. He is attentive and careful. He needs to check the status of the car park from time to time. He needs to work from 7 a.m. to 7 p.m. He works at night but he still talks to me and listens to me patiently when he goes back home. He is hard-working but he has to work even harder.

If I become a security guard, I will work day and night. Then I will get old very quickly. I don't want that! I want to be a vet when I grow up. If I become a vet, I will cure sick animals. Vets need to be patient and hard-working so that they can look after the sick animals. Therefore, I will try my best and be more

hard-working.

E-mail me and tell me how you think.

Subject: My Dream Job

Dear Gigi,

I am fine, thank you. How about you?

My dad is a photographer. He is fat and short. He has little short, grey hair, small eyes, a small nose, a big mouth and big ears. His face is round and fat. He is forty-eight years old. His skin is dark and rough.

As a photographer, my dad needs to go to other countries to take many beautiful photos. The photos are very pretty. He works from Monday to Saturday. He works for eleven hours from eight o'clock in the morning to seven o'clock at night. He says this is an important job for him. But he is always tired.

He is talkative, hard-working, considerate and outgoing. Since he is outgoing, he enjoys talking with others. He always shows kindness towards other people and likes making friends around the world. He is also kind to me because he always teaches me with my homework and when I do something wrong, he will correct me. I love my dad.

If I become a photographer, I will work eleven hours. Then I will be

very tired. I don't want that! I don't want to be a photographer as my dad.  
I want to be a teacher when I grow up. It is because I want to teach

E-mail me soon.
